Hey Man Chak:

I have to be up in Boston for work on August 17 and 18 (in addition to the August 11 meeting) for my work on the Remedy Review Board. I am considering just staying up there after the August 11 meeting because my parents live in Cape Cod, and then I'd just work from their house on Thursday, the 12 and Monday, the 16th. Carl suggested I try to see if I can do a site visit to NBH.

What do you think about the possibility of that idea?
